

Fight! (Ephesians 6:10-20)

STAND!

The dangers of duplicity:
double-minded
double-hearted
double-willed

Ephesians 4:25-32

Be True: Integrity holds.

Integrity is more than not lying.

Integrity is intentionally telling the truth.

The Battle for True:

Fight the fake.

Face the real.

Think earned not deserved.

Our sinfulness is our selfishness.

Kill bitterness with kindness. (Resentment)

Quench anger with tenderness. **Prov. 15:1**

Quit the Clamor... Stop Screaming

Silence the Slander

No one will ever speak the truth in love to you – if you don't derail the dysfunction.
