Matthew 12:1-21

Living by faith means not living from fear.

The right question is, "Is it right?"

Know your faith.

Know your faith better than your fear.

Make no hindrance.

When we make it about rules, we often make what is right wrong and what is wrong right.

Desire what is greater.

Mercy is greater.

Do the good you know.

Jesus is the Right.

Jesus is our rightly won righteousness.
