

A Personal Touch

Matthew 14:34-36 / 15:29-31

A touch from Jesus will change everything, but everything will change with a touch of Jesus.

Am I fully trusting in Jesus or simply trusting from Jesus?

The relationship between faith and grace is real.

The Kingdom of God is a kingdom of reward, not return.

Faith costs; grace buys.

The currency of the Kingdom of God is grace, not faith.

The work of the Lord is not for sale.
