

**We Have Been Championed!**  
**Romans 5:1-11**

Now that we have been **declared** righteous, God will **direct** me towards righteousness, so that my life will **display** righteousness.

A relationship of **grace** that provides **peace** and **access**.

A relationship of **hope** that provides **promise** and **purpose**.

Hope is certain because of:

the deposit of His **Spirit**.

the demonstration of His **love**.

the death of His **Son**.
