

Signs: The Signs we don't see

Matthew 16:21-23 & 17:22-23 & 20:17-19

The key to visibility is availability.

We seek out what we are set on.

Why do we miss the Lord's signs?

1. **We don't want to go where God is going.**
Right action does not always mean right direction.
2. **We have already planned where we are going.**
What do you count most – your costs or God's gifts?
3. **We don't want to do what God is doing.**
Jesus does hard things - be ready.
4. **We have already planned what God should do.**
Our plans will never accomplish Gods purposes.

Am I on the way or am I in the way?
