

Signs: See the Sign Right There
Matthew 16:1-12

A little off ends up lost.

We stop straying when we accept truth that changes wrong.

Signs of Straying

Seeking signs instead of truth.

Looking for desires instead of promises.

Hearing what I want instead of what God said.

Seeking what feels good instead of what is right.

Controlling instead of changing.

Are my expectations built upon my Savior or is my Savior built upon my expectations?
