

## **The Price of Right – The Forgiven Factor**

Matthew 18:21-25

### **Forgiveness pays forward.**

Forgiven people forgive people.

### **If you are forgiven, you are different.**

Repentance causes the desire for restitution, not the requirement.

### **Keys to True Forgiveness:**

1. Trust the goodness of the God.
2. Ask from an honest place.
3. Believe God's forgiveness is real and is enough.
4. Allow God to help you see as he sees.

### **Forgiveness is a price we paid and a price we are still paying.**

*Just because forgiveness is being hard work does not mean you are not doing it.*
