

**Follower: Believing is Living**

Romans 10:1-12

**Believing is living.**

1. Stop trying to get there. God came here.
2. Believing is not accepting. It is surrendering.
3. Believing is more than thinking. It is entrusting.
4. Confessing is not saying something. It is agreeing with everything.
5. Confessing is more than declaring Truth. It is truthfully declaring all that is Truth.

**Everyone means everyone.**
