

Last Place: Living with Grudges and Gains

Matthew 20:1-16

Last place is the best place.

Last place is the best place when your heart is in the right place.

God's promises are good.

God's promises are good, but are they good enough?

God's grace is his to give.

God's blessings are his to bestow.

God's goodness is his to demonstrate.

The God of grace comes to us.

The grace of God provides for us.

Is the God of grace changing us?
