

Diary of a Wimpy Christian: Weak Ask

Matthew 21:18-22

Strength comes from strength.

Trust the King.

Faith is a working trust in the One worthy of that trust.

Prayer is pulling in the same direction with the One who has the power.

Quit presuming faith.

Asking is not demanding; it is expecting.

Does my prayer honor the Lord – the person of my prayer?

Does my prayer honor the purposes of the Lord?

Does my prayer honor the promises of the Lord?

Does my prayer honor the power (authority) of the Lord?
