Is first great? Is great first?

Matthew 22:34-40

Love is a choice.

Love is not conditioned.

First and Great Love

Love from God causes love for God and love for God causes love of God.

Priority –Before.

Purpose –Above.

Power –Beyond.

Right Now Media is a discipleship platform we as a church subscribe on your behalf. This platform has 1,000's of video-based resources for you as a family, for small groups, and for leadership development. This QR code will take you to a direct sign-up page for your personal account.

Once you sign up and in, click on **Fellowship Church** and you will see some recommended resources. One recommended library is *Christmas Resources*. I encourage you to use the family devotional guide and the video resources in **Advent** by JD Greear. He takes a similar approach to Christmas as the series we are starting next Sunday by looking at the names of the Messiah.
