

**Ready or Not: Life to the Least**

Matthew 25:31-46

**The saved serve.**

Serving is not how we are saved, but servicing is how the saved live.

**Loving the Lord means loving the least.**

Loving Him makes us love "them."

**Faithful, Wise service is...**

Ordinary, not extraordinary.

Extra in the ordinary.

Doing the least of things for the least of these with the least expectation.

Serving the Highest by servicing the lowest because He who is Highest served the lowest.
