

## **The Road to Freedom: The High Price of Freedom**

Matthew 27:32-66

**The road to freedom is built on the bedrock of forgiveness.**

**Jesus' life was given, not taken.**

Faith is life given, not life taken.

**Salvation requires substitution.**

In Christ the standard is not lowered; it is fulfilled.

Receiving Christ's perfection requires receiving His perfecting.

**Freedom requires forgiveness.**

In Christ our sin is not forgotten; it is forgiven.

Receiving Christ's forgiveness of our sin requires forsaking our sin.

**Forgiveness requires sacrifice.**

In Christ, salvation is not compromise; it is completion.

Receiving Christ's sacrifice requires receiving Christ's standard.
