

Twisted Truth

Ephesians 1:13 & 2:1-10

Ephesians 1:13

The same faith that saves you sustains you

Ephesians 2:1-10

Sin causes spiritual death

Salvation is spiritual re-birth that can't be earned

God's love goes beyond our goodness

Truth - God's love towards me depends on His goodness

Twisted - God's love towards me depends on my goodness

Knots form when our intense desire to be good causes us to work hard to do good

Works are good things done to earn God's approval

Faith is a life of trust that receives God's grace
