

Twisted Truth: God's Grace means No Consequences

Romans 6:23, 1:18-25, 6:1-11

Sin has consequences, not just punishment.

Death is the right and righteous result of sin.

Sin is death because God is holy.

Sin wrecks relationships and reasoning.

Eternal life is the good and generous result of grace.

Grace is life because God is love.

Jesus bearing the condemnation of sin does not remove the consequences of sin.
