

**Alive: The Giver is the Gift**

Ephesians 2:4-7, Ezekiel 37:7-14

**But God...**

The greatest interjection in history is Jesus.

**Being rich in mercy...**

The wealth of God's mercy is not diminished by price of our transgression.

**Because of the great love...**

The love of God is because God is love.

**With which he has loved us...**

We do not cause why God loves us but we do cause how God loved us.

**Even when we were dead in our trespasses...**

If God loved us then and there, He loves us anywhere.

**Made us alive together with Christ Jesus...**

He who is the Giver of Life is, Himself, the Life given.

**By grace...**

Grace is for the good of the given, not the Giver.

**You have been saved...**

We have not yet experienced the totality of salvation; but we are totally saved.

**Love exists because God exists.**

The Love of God is Personal.

The Love of God is Powerful.
