

Alive: The Greatness of Grace

Ephesians 2:8-10, 1:15-23, Ezekial 37

Grace is first.

Grace is God's goodness given to the underserving and unmeriting.

Grace is everything.

Grace is that salvation, security, workmanship, and good works are all God's work.

Grace is God's will.

It is God's will to restore humanity to Himself.

Grace is God's work.

Grace works when we stop working for it.

Grace is free.

Grace is a gift freely given and freely received.

Grace enlightens.

Grace brings light into our darkness.

Grace draws.

Grace calls; it does not command.

Practicing Grace

1. Listen.
2. Stop trying.
3. Stop resisting.
4. Work from grace, not for grace.
5. Worship from grace, not for grace.
