Ephesians 2:8-10, 4:17-24, Ezekial 37:12-14, 26-27

Faith requires grace.

Saving grace. Receiving faith.

Faith requires freedom.

Faith is freely believing.

Faith requires believing.

Faith is so believing it changes all our living and so living it changes all our believing.

Faith requires surrender.

Faith is putting off the old self by trusting that Christ has taken it.

Faith requires trust.

Faith is putting on the new self by trusting that Christ has given it.

The Working of Faith:

Faith removes anxiety.

Faith overcomes fear.
