

Alive: The Good of Work

Ephesians 2:10

God's work is good work.

God's good work does God's good work.

Good work is our journey not our destination.

Ephesians 4:1-16

God creates his craftsmanship to craft His creations.

Be good in doing good.

Crafting creates calling.

The Church is uniquely crafted and created.

The Church's unique creation is caused by each of our unique crafting.

Growth always causes growth.
