

Do's and Don'ts of Gift-Giving

James 4:13-17

Do live today.

Don't live for today.

Do value time today.

Don't sell today for tomorrow.

Don't sell tomorrow, today.

Do faithfully today, honoring what is ahead.

Don't presume; do plan.

Do the right you know.

Doing what is right requires learning what is right.

Don't allow what you feel to overcome what is true.

Don't just ask, "Is this wrong?"

Do ask, "Is this right?"
