

## **The Power of Influence**

Lydia: The Power of First

Acts 16:11–15, 40

**God uses changed lives to change lives.**

**Do the next thing.**

Stop trying to figure out the last step and take the next step.

**Use everything.**

Use everything God gives you for his glory and Gospel.

**Run the race.**

Stop trying to map the course and follow the trail.

**Join the team.**

Faith is not a solo journey.

**Serve the team.**

Use what you have and who you are to benefit everyone.

**Don't stop when something doesn't work.**

Failure only becomes fatal when we fall and don't get back up.
