

More than a Story

Genesis 40-50 (50:15-26)

People who do great things do hard things.

Do the good God gave you to do.

Victor > Victim

We cannot live in the identity of a victim and live the life of a victor.

Is it victory if we never accomplish what we wanted, but we accomplish what God wanted?

Good > Evil

A deep desire for God and His good destroys the ability of evil to define us.

Suffering explains struggles; it does not excuse sin.

Grace > Revenge

Forgiveness does not excuse wrong; it releases it.
