

More than a Story: Joseph part 1 – The Power of Presence

Genesis 37:2-8,18-24; Genesis 39:1-6,19-23; Genesis 50:19-20

When we are faithful to God, you may end up in the pit, or you may end up in the palace. Neither is the promise. The promise is that we get God. And He is faithful in both the pit and the palace.

Resistance does not mean that you are not going in the right direction.

God is with you in the pit.

God is with you even in the detour

What looks like a detour may actually be the destination

Sometimes God will change your circumstances. And sometimes God is using those circumstances to change you.
