

Through our partnership with the Tim Tebow Foundation, Fellowship Church is proud to host Night to Shine on February 12, 2027 at Fellowship Church. Night to Shine is a memorable prom event specifically created to celebrate members of our community with special needs. This is our 10th year to host the event!

The evening is an occasion that each Night to Shine King and Queen will remember for a lifetime, and that he or she looks forward to each year. However, we cannot host this event without our team of over 600 volunteers or without your financial assistance to make Night to Shine possible. We ask that you prayerfully consider partnering with us for Night to Shine as we take this opportunity to shower the love of Christ over our worthy friends, their amazing parents and caregivers.
