Beyond: Now to Next
Hebrews 12:1-2

Beyond now begins now.
Faithful next is faithful now.

We all have history.
History is not the whole story.
We put off what Jesus put on.

Be faithful in this step.
Faithfulness is always a now thing.
The only way to be faithful with what is next is being faithful now.

Our faith is in the Person, not the path.
Faith is who we fix our eyes on; faithfulness is how fixed our eyes are.

We leave the legacy we live.
Generations of faithfulness begin with faith in one generation.
