Victory > Vices
Psalm 119:1-16, 35

Seek victory in to have victory over.

What is true?
What do I do? (with my mind, in my heart, with my lips, through my life)

Believe – What we believe determines how we receive.
Obey – What we do reveals what we believe.
Meditate – The depth we consider causes the depth we change.
Praise – When we praise with truth, the praise is true.
Learn – Learning is more than knowing.
Remember – Know truth when you need truth.
Declare – Believing becomes speaking and teaching.
Delight – Loving truth creates living truth.
