The Sounds of Thanksgiving
Psalm 100

Don't just **sing**, **bring.**

We **bring** what we **believe**.

Grateful and thankful people believe the Lord God is

powerful, personal, good, reliable, love, patient, and

faithful.

We **live** what we **believe**.

Grateful and thankful people….

Joyfully join the **chorus** of **creation**.

Gladly serve the Lord.

Serve the Lord **gladly**.

Seek the Lord **authentically**.

Live to **bless** the Lord (not just **be blessed** by the Lord).
