

Do Perfect

Matthew 5:27-32

Righteousness is more than what is not, but also what is.

Honor marriage.

Honoring marriage honors the Maker.

God designed what God desires.

God's design for marriage is one man united with one woman as one flesh for all of life.

Sex is significant.

Sexuality and physical intimacy is the foundation of God's definition of marriage.

Embrace radical obedience (or is it just real obedience.)

It is better to lose your own flesh that to lose one flesh.

Repentance is to turn away in such a way as to never return.

Repentance is the changing of one's mind so much that one's mind changes.

Honor God now. Honor God here.

We must embrace the grace for obedience in the place we are.
