

Get in the Game – Prayer Matthew 5:6-9

Prayer is an exercise of faith; the routine is conversation with the creator

Jesus sets the sidelines then sends us in the game

- A show-off's reward ends with the show
- A heap of empty words is no help to anyone

Conversation with the creator is personal, powerful and powered by faith

- Be consistent and Be persistent
- Personal conversation is possible if you know the person
- Get in the game
